We are very much into the grind of the off-season. There is still a lot going on despite no regattas taking place this month. Hope you enjoy and remember to let me know if you have anything to add for future editions.

#### **Events**

Nepean Maintenance Day 22<sup>nd</sup> June: Thank you to everyone who helped at the maintenance day. We had seventeen members attend and we achieved a lot, so thank you very much.

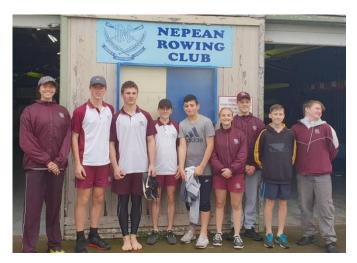

Nepean marathon erg 23<sup>rd</sup> June: We held our first marathon erg event on Sunday 23<sup>rd</sup> June. It was a great morning and a good team building exercise. It was great to see everyone cheering each other on. Congratulations to Aimee and Magnus for completing their first ever marathon, and to Jason for getting close but having to withdraw due to cramps. The team

effort was fun to watch with eleven rowers taking part and all giving it a good go. We hope to do this as an annual event each off-season.

<u>Nepean June Camp 29-30<sup>th</sup> June</u>: We ran our first two-day camp of the season on Saturday 29<sup>th</sup> and Sunday 30<sup>th</sup> June. We had eighteen rowers take part in some or all of the event. Thank you to everyone who attended. A big thanks to those who also brought some baked items for the rowers.

Northmead Highschool Friday 5<sup>th</sup> July: We recently held a Come Try Day for Northmead HS. We had nine students attend and they all thoroughly enjoyed the experience. Thank you to Tallara for helping on the day.

Nepean June Camp 12-15<sup>th</sup> July: We ran a four-day camp from Friday 12<sup>th</sup> to Monday 15<sup>th</sup> July. Thank you to the twenty-three rowers who took part in some aspect of the camp. The windy conditions did force us to alter the training sessions on Saturday, but this was well received by rowers. This is something we will look at continuing in the future.

# Western Sydney Academy of Sport TID Squad:

On Thursday 27<sup>th</sup> June we had Natalie, the Media and Communications coordinator from the Wester Sydney Academy of Sport visit the squad and take some photos. This program has been running for around five months now and has been very successful in many ways. We look forward to seeing the squad continue to develop and continuing to explore partnerships such as this one in the future.

# Jason Completes Duathlon

On Sunday 21<sup>st</sup> July Jason competed in a sprint duathlon comprising of a 5km run, 20km bike and a 2.5km run. This was a good way to break up the off-season and should help in his preparation for the upcoming season. Aimee unfortunately was unable to compete but will take part in the upcoming City to Surf which Jason will also be doing.
