

PRESIDENT'S REPORT 2023

The club had another loss of \$165K due to flood damage and maintenance costs but we are going from strength to strength under the management of our CEO, Ben, together with Jodie and Melissa and the rest of our great staff who provide the members with the best and friendliest service.

Our new furniture arrived giving the club a much needed upgrade and with planning underway to transform some sections of the club, we hope to bring an even higher level of enjoyment to the member's entertainment experience.

Live shows have proven to be a great success and we hope to bring more acts to the club next year.

Many thanks go to Con and the Maze team for their contribution to the success of our catering and functions.

I would also like to thank my fellow Board members, Ben, Jodie and Melissa for their continued support, as well as my family. Without your assistance I'd be a nut case.

Lastly, to all our members and visitors, thank you for your continued patronage of our friendly club.

Lyn Edwards
President
